The success of ICSCAs include the organization of 11 conferences taking place worldwide. The history of ICSCA started in 2012 in Singapore, next it was hosted in quite a number of countries and regions including France, the Great Britain, Hong Kong, Thailand, Brunei, and last 4 years it was organized in Malaysia.

ICSCA 2023 is where you will meet and network with leaders, business innovators, researchers, academics and policy makers from across the globe. It's an annual event over the past 11 years and it provides a forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, experiences and concerns in the field of Software and Computer Applications.

### Topics of interest for submission include, but are not

**Track 1. Software Engineering**
- Requirements Engineering
- Software Architecture and Design
- Software Quality Assurance and Usability Issues
- Empirical Software Engineering
- Formal Methods

**Track 2. Computer Applications**
- Operating Systems
- Cyber-Physical Systems
- IoT and Cloud Computing
- Information Systems
- Blockchain Technology

**Track 3. Computational Intelligence and AI techniques**
- Algorithms and Protocols
- Big Data
- Meta-heuristics Algorithms
- High Performance Computing
- Natural Language Processing

Visit this page for more topics: [http://www.icsca.org/cfp.html](http://www.icsca.org/cfp.html)

### Submission

1. Full Paper (Publication and Presentation)
2. Abstract (Presentation Only)
   - For full paper(.pdf), please upload to [https://www.zmeeting.org/submission/icsca2023](https://www.zmeeting.org/submission/icsca2023)
   - For abstract, please send it to icsca_general@163.com

More details about submission, please visit [http://www.icsca.org/author.html](http://www.icsca.org/author.html)

**Submission Deadline: Oct. 5, 2022**

### Call For Special Sessions

ICSCA 2023 solicits proposals for special sessions within the technical scope of the conference. Special sessions supplement the regular program of the conference and provide a sample of the state-of-the-art research in both academia and industry in special, novel, challenging, and emerging topics.

Special-session proposals should be submitted by the prospective organizer(s) who will commit to promoting and handling the review process of their special session as Chairs or Co-Chairs of the event.

**Proposal Submission Deadline: December 15, 2022**

### Conference Schedule

- **February 23, 2023**
  - Sign-in
- **February 24, 2023**
  - Morning: Opening Ceremony & Keynote Speeches & Group Photo
  - Afternoon: Parallel Sessions
- **February 25, 2023**
  - Parallel Sessions & Tutorial & Closing Ceremony
